

Blue Bird Day Care and Learning Center

NEWSLETTER

SEPT, OCT, NOV & DEC 2017

Welcome to our 2017-2018 School Year.

Our Summer Program has come to an end and as we welcome a New School Year we must thank all of our families for their support and patronage. Our summer months were filled with educational & fun field trips.

-NM Pre-K officially started on Wednesday, August 23, and we would like to extend a warm welcome to all of our new families. We look forward to another academic school year, and thank you for the opportunity to teach, guide and instruct your student. Your child's teacher will introduce through play and interactive activities, reading, writing, language skills, math skills, social skills and scientific concepts.

**** In order to stay in compliance with CYFD your student's registration packet must be complete. Your student must have a physical form filled out by his/her Doctor on file, as well as ASQ's, vision exam, emergency contact info and current work and cell phone numbers. This is the time to turn them in, don't delay.

Parent Teacher Conference

** October 25, & 26 Please sign up with your student's teacher. There will not be Pre-K in order to conduct parent teacher conferences.

Flip Flops / Toys / Food

** Parents for the safety of your child we must remind you to be sure your student wears close toe shoes. Our number one priority is the safety of your student.

** BBDC- Does not allow any outside toys. We know it's sometimes difficult for your students to leave toys at home and he/she will insist on bring them to school, but we must remind you that bringing toys to school causes contention and disagreements between children.

** Blue Bird Learning Center is an active participant of CYFD's Food Program, therefore we ask that you do not bring any outside food for your child to consume, unless your student has a specific need/ medical reason, and a doctor's note will be required.
