April & May 2018

Amazing School Year!

**We are having an amazing school year. We continue to document your students s areas of Growth and Development. Children are surpassing our expectations in areas of manual coordination, fine motor skills, receptive and expressive vocabulary, understanding quantities and numerals, caring for personal and group possessions and appreciation for the arts. We are so proud of our students for their academic and social growth.

** Families please let your child's teacher know if you have any concerns or if you are pleased with your child's academy achievements. Also, tell us how we are doing by leaving a review on Google.
