- Our Summer Program is in full force as we continue to offer fun and educational field trips for children over 5 yrs old. Children love to swim and in order to keep them safe we ask that you provide your student with a life jacket.

*** On Monday, July 2, 2018, We will drive your students to the Planetarium at 10:30 am. Let's talk and learn all about planets. It's a great learning field trip.

***-Thursday, July 12, 2018 @ 9:00 a.m. We will explore the Botanical Gardens. This will be a delightful and entertaining field trip. Parents are invited to drive their student/s to and from and stay with his/her child.

-Monday, July 16th @ 09:30 a.m. we will travel to the NM Museum of Natural History..

****These are just a few of our fun and educational activities. Older children will be going swimming everyday and life jackets are required.
