### New School Year!

**\*\*We are having an amazing school year so far. Each classroom has a theme that represents the curriculum that our educated teachers are working on with your students. Some of the domains that your children are learning in their class right now are feelings/manners, the Body Unit, alphabet/numbers and the weather. Our teachers are working hard to document every aspect of your student's areas of Growth and Development. We are so proud of our students for their academic and social growth and are excited for what the future holds for each of them!**
