

# Blue Bird Day Care & Learning Center Parent Newsletter

October, November, & December

Welcome families to a new school year. It has been an honor to have your students here at our center. The children have all taken off learning and exploring how things work starting with cause and effect, by using their imagination and creativity. On our Brightwheel app you will be able to view your child/children's activities throughout the day. Please stop by to visit your child's teacher to get an update on your student's progress.

We have some upcoming events and closures to note for the rest of this year.

Thank You for all your support in your child's education.
